

Fast, Compliant, Mission-Ready Procurement

VTP simplifies DoD Cisco procurement under the ESI contract.
Follow these steps:

STEP 01

Identify Requirements

- Define IT needs (networking, security, collaboration).
- Ensure budget and compliance alignment.

STEP 04

Submit Task Order

- Send task order through contracting office.
- VTP ensures compliance and speeds approvals.

STEP 02

Engage with VTP

- Contact VTP for expert guidance.
- Leverage Service-Disabled Veteran-Owned Small Business (SDVOSB) advantages.

STEP 05

Order & Delivery

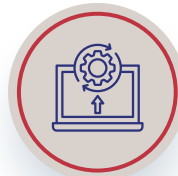

- VTP fast-tracks processing and coordinates with Cisco.
- Secure, on-time delivery.

STEP 03

Get a Quote

- Receive pre-negotiated ESI pricing.
- Avoid delays with pre-approved terms.

STEP 06

Deployment & Support

- Implementation assistance, warranty, and technical support.

Why Choose VTP?

- ✓ **ESI Contract Expertise**
Pre-approved, cost-effective Cisco solutions.
- ✓ **SDVOSB Advantage**
Meet procurement mandates, support Veterans.
- ✓ **Faster Procurement**
Streamlined, compliant, and efficient.
- ✓ **Mission-Ready IT**
Secure, scalable, and resilient infrastructure.
